

12 Good Deeds Are Staring You Right In The Face.

It just might be the most effective, impactful donation to a charity you ever make.

100% of your donation will go towards programs that help children, 0% will go to overhead.

The free cleft surgery your donation will help provide, is a true, modern-day medical miracle: it costs as little as \$250 and takes as little as 45 minutes.

That's all it takes to give a desperate child not just a new smile, but a new life.

When you see the impact your donation has, you'll end up smiling too.

-  100% of your donation goes toward programs.
-  We're the world's largest and most cost-effective cleft charity.
-  Meets extensive standards of America's most experienced charity evaluator.

Since March 2000 we have provided free cleft surgery for 285,916 children.

SLIDE 1

Zwei „Heilige“!!

Die obere heißt „Die Heilige vom inneren Licht“ und stammt von Paul Klee.
Die untere stammt von einem Schizophrenen aus einer Irrenanstalt. Daß diese „Heilige Magdalena mit Kind“ immer noch menschenähnlicher aussieht als das Machwerk von Paul Klee, das durchaus ernst genommen werden wollte, ist sehr aufschlußreich.

„Ethik der Geisteskrankheit.“
„Der Besessenen wahnsinniges Reden ist die höhere Weltweisheit, da sie menschlich ist . . . Warum haben wir diese Einsicht gegenüber der Welt des freien Willens noch nicht gewonnen! Weil wir äußerlich die Herren des Wahnsinns sind, weil die Geisteskranken von uns vergewaltigt werden, und wir sie daran hindern, nach ihren ethischen Gesetzen zu leben . . . Jetzt müssen wir den toten Punkt in unserem Verhältnis zur Geisteskrankheit zu überwinden trachten.“

Der Jude Wirland Herstraße
in „Die Aktion“ 1914.
