

## REUSED AND EXCHANGED EQUIPMENT PARTNERSHIP

Pennsylvania's Initiative on Assistive Technology (PIAT) can help Pennsylvanians with disabilities find "previously-owned" assistive devices, either free or at a lower cost than buying new. These efforts help get used assistive technology such as wheelchairs, walkers, commodes, lifts, portable ramps, and other devices out of attics and garages and into the hands of people who need them.

### REEP ONLINE CLASSIFIEDS
