Competence and Confidence: Partners in Policymaking

Inclusive Education

The **New** Leadership Development Training Program

Where teams of educators and parents learn about promising practices in inclusive education
Competence and Confidence: Partners in Policymaking

*Inclusive Education*

- Based on Partners in Policymaking – a national leadership training model created in 1987 in Minnesota and implemented in 45 states

- Conducted by Institute on Disabilities in PA since 1991 as Competence and Confidence: Partners in Policymaking (C2P2)
Mission:

- To create successful, replicable inclusive education experiences for students
- To develop the team as the ‘local expert’
- To increase inclusive education practices in the school district
