

# AT@ Work

## Assistive Technology in the Workplace

**A training OPPORTUNITY available to  
small business owners, human resources  
staff and other employers!**

### Tools to Accommodate Employees with Disabilities

Hands-on and interactive demonstration/presentation

### This free presentation :

- helps businesses understand how simple accommodations can support staff and maintain productivity
- demonstrates how these accommodations can help retain hard-working employees
- is hands-on and designed to be 60 minutes long, but can be adjusted to meet your training needs

**To arrange for a session for your company:**
